

## High School Attendance Declaration Form

High school students in Saskatoon are eligible for discounted fare and ride packages from Saskatoon Transit. To qualify, students must provide proof of enrollment by submitting a photo of their valid Saskatoon High School identification card.

If a student *does not* have a valid Saskatoon High School identification card, they may submit a completed declaration form that confirms the student is enrolled at the institution.

**Directions:** This form must be filled out and signed by the appropriate **administrative staff** at the high school that the student currently attends. Confirmation from anyone other than administration will *not be accepted*, and a new form will need to be resubmitted.
