

Transit 101

How to use your new favourite public transportation app.

Saskatoon Transit
endorsed app.

Home Screen

The map situates you in the city (you're the blue dot!) and displays geolocalized information.

The feed below the map shows nearby transit options and countdowns to the next departure, sorted by proximity.

Swipe a card to view departures in a different direction.

Tap a card to see more options for that route.

➔ Trip Planner

Compare trips side by side and tap each result for more details. Select your preferred transport modes or minimize walking in your journey by tapping *Options*.

GO Trip Companion

Tap GO to get step-by-step transit directions and notifications for your trip.

GO will notify you to hurry up if it senses that you'll miss your bus, tell you when your stop is coming up and when to get off, and suggest alternatives if you miss your connection.

Route Map

See the full trajectory of each route, track vehicle locations on the map in real time, and find nearby stops.

Schedule

View the full schedule for each route, reflected in real time. Tap the bell to set a reminder and you will receive a push notification when it's time to leave to catch your bus.

! Service Alerts

Service advisories provided by Saskatoon Transit are displayed in the app. When an alert is active, you will see an exclamation mark beside the route number. You can also choose to receive push notifications to your phone when alerts are issued.

★ Favourites

Always take the same bus? Tap the star icon to add it to your favourites. **Favourite routes always show up at the top of the list on the home screen when they are nearby.**

You can view and modify your favourite routes and service alert subscriptions in the *Settings* section.

Real time ETAs.
